TO: Members of the Board of Trustees

FROM: Craig H. Kennedy, Ph.D.
Provoest and Executive Vice President for Academic Affairs

RE: Academic Program Inventory

BACKGROUND:

The Office of Higher Education maintains an inventory of approved academic programs offered by public and independent colleges and universities in Connecticut. Those listings are available to the general public through the Office’s web site and provide the most accurate up-to-date information about programs of study in our state.

The information on the Inventory of Approved Academic programs is an important resource and is used to convey educational information to a broad range of constituencies, both in Connecticut and across the country. Additionally, in order for veterans to receive their earned educational benefits, they must be enrolled in a program that is accredited.

The following updates are provided to the Board for informational purposes:

- Renaming the Graduate Certificate in Accounting to Account Fundamentals.
- Renaming the Six-Year Certificate in Education Administration (092) to Educational Administration (092).
- Renaming the Graduate Certificate in Pre-Medicine/Pre-Dentistry to Medicine and Dental Medicine.
- Removal of the following program from the inventory: Adult Learning (Graduate Certificate, Masters and Six-Year Certificate).
