TO:       Members of the Board of Trustees
FROM:     John A. Elliott
          Interim Provost and Executive Vice President for Academic Affairs
RE:       Academic Program Inventory

BACKGROUND:

The Office of Higher Education maintains an inventory of approved academic programs offered by public and independent colleges and universities in Connecticut. Those listings are available to the general public through the Office’s website and provide the most accurate up-to-date information about programs of study in our state.

The information on the Inventory of Approved Academic programs is an important resource and is used to convey educational information to a broad range of constituencies, both in Connecticut and across the country. Additionally, in order for veterans to receive their earned educational benefits, they must be enrolled in a program that is accredited.

The Office of Higher Education periodically provides UConn – and other Connecticut colleges and universities – an opportunity to review and reconcile the inventory with its own records. The Office of the Provost, the Schools and Colleges, Regional Campuses, and Office of the Registrar reviewed the inventory and the Office of the Provost submitted updates on May 2, 2019.

The following updates are being provided to the Board for informational purposes:

- With the closure of the Torrington campus, we removed the campus location designation, “Tri-Campus” and we updated the locations of existing programs
- We renamed the following existing programs:
  - Certificate in Acute Care of the Adult to Adult Gerontology Acute Care Nurse Practitioner
  - Certificate in Primary Care of the Adult to Adult Gerontology Primary Care Nurse Practitioner
  - Certificate in Neonatal to Neonatal Nurse Practitioner
  - S.J.D. in Law to S.J.D. Science Law
  - Removed Hybrid from the Certificate in Holistic Nursing and noted the delivery type as being online
• We changed the following CIP Codes of existing programs:
  o Advanced Business Certificate in Business Analytics at Storrs from 52.1207 to 52.1301
  o BS in Business Date Analytics at Storrs and Stamford from 52.0201 to 52.0299
