RE: Academic Program Inventory

BACKGROUND:

The Office of Higher Education maintains an inventory of approved academic programs offered by public and independent colleges and universities in Connecticut. Those listings are available to the general public through the Office’s web site and provide the most accurate up-to-date information about programs of study in our state.

The information on the Inventory of Approved Academic programs is an important resource and is used to convey educational information to a broad range of constituencies, both in Connecticut and across the country. Additionally, in order for veterans to receive their earned educational benefits, they must be enrolled in a program that is accredited.

The following non-substantive changes and updates are provided to the Board for informational purposes.

Non-Substantive Changes and Updates
- Name change in MBA concentration in Health Care Management to concentration in Health Care.
MBA Concentration:
Name Change Notification

General Information
Current Program Name: MBA concentration in Health Care Management
Name of sponsoring Department: Part-time MBA Program
Name of sponsoring College: School of Business
Campuses: Hartford, Stamford, Waterbury
Contact persons: John Knopf, Director of Graduate Studies
Type of Proposal: Change name of concentration
Type of Program: Masters in Business Administration
Anticipated Initiation Date: Fall 2020
Anticipated Date of First Graduation: Spring 2021
CIP Code: 52.0201 (Business Administration and Management, General)

Name of existing degree program to be modified
MBA concentration in Health Care Management

New degree name
MBA concentration in Health Care

Justification
The program wants to change the official name of the program from “Health Care Management” to “Health Care.” The corresponding change in the catalog copy was previously approved. This request simply formalizes that name change.
