   Dr. Dennis-LaVigne stated that the Statement of Work between the University and
   the UConn Foundation for Fiscal Year 2021 was considered and amended at the
   June 16 Special Meeting of the Institutional Advancement Committee. The
   Committee approved an amendment to provide stable funding for alumni relations
   activities and services. Since that meeting, additional recommendations have been
   proposed. Trustee Ritter provided a brief background on the specific
   programmatic considerations. The proposed amendment would replace the current
   language in the Statement of Work FY 21, Section 3(c)(1) under “Aligning
   Fundraising with University Priorities.”
Mr. Ritter motioned, seconded by Mr. Boxer, to amend the Statement of Work FY 21 as follows:

“Continue to focus fundraising activities around supporting need-based financial aid for University students. Use reasonable efforts to raise gifts and commitments for student support, including, but not limited to, scholarships, assistantships, fellowships, awards, and prizes, that equal not less than fifteen percent (15%) of the total amount of all gifts and commitments raised during the Period. As part of these efforts, establish a plan with the President to reach his stated goal to fully fund in-state students eligible for the University’s Connecticut Commitment program. This will include efforts to fund scholarships for those who are recognized as Promise Scholars from Hartford, New Haven or other Promise programs that may be established, including Bridgeport and Waterbury, and that such funds will be counted toward the goal established for the Connecticut Commitment program, if the scholar would have otherwise been eligible for the Connecticut Commitment.”

The Board voted unanimously in favor of the amendment.
