RE: Fiscal Year 2022 Tuition and Fees for the University of Connecticut, Storrs and Regional Campuses

**RECOMMENDATION:**

That the Board of Trustees approve increases to the Student Health and Wellness Fee, Transit Fee and Student Activity Fee for Fiscal Year 2022, as detailed in the attachments.

**RESOLUTION:**

“Be it resolved that the University’s Tuition and Fees for Fiscal Year 2022 shall be set according to the attached Rate Schedule. Further, that the President may make limited adjustments to fees in the event circumstances due to COVID-19 warrant such change, provided that the adjustments shall not increase the combined cost of tuition and fees for any student, as set by the Board of Trustees, and that at least 5 days prior notice of any change in fees will be communicated to the Chair of the Financial Affairs Committee of the Board for the Committee’s review.”

**BACKGROUND:**

**Tuition**

On December 11, 2019, the Board of Trustees approved a five-year tuition plan for Fiscal Years 2021 – 2025 applying to all undergraduate and graduate tuition-based programs excluding the School of Law. The approved increase for Fiscal Year 2022 was set at \$625 for in-state and out-of-state students.

## Institutional Fees

Institutional Fees require central administrative approval and include fees such as Housing and Board, specific student fees (i.e. Infrastructure Maintenance Fee, Transit Fee, etc.), and other institutional fees such as late fees, escrow fee, etc.

Housing and Board: No increases to the Housing and Board rates are proposed. Housing and Board rate changes are driven in part by market demand as well as increases in costs to operate each program. The overall University housing program has seen declines in demand in recent years, primarily a result of aging housing stock and growth in off-campus housing around the Storrs Campus. Costs to operate the University's dining program are projected to increase in Fiscal Year 2022 primarily due to increased commodity costs, but the University will look for cost reduction measures to offset any necessary fee increase.

Transit Fee: An increase of \$4 per semester or \$8 per academic year is proposed across all campuses. The resulting annual rate will increase from \$160 to \$168 for the Storrs campus and \$40 to \$48 for the Regional campuses in Fiscal Year 2022. The increase reflects the cost of operating the U-Pass program administered by the State Department of Transportation. U-Pass is available to all students, both undergraduate and graduate, at the Storrs and Regional campuses. This fee change is primarily due to increased rail costs which are part of the U-Pass program.

## Student Fees

Student Fees are reviewed and proposed through the Student Activity and Service Fee Advisory Committee (which includes students, faculty and administrative representatives). Increases are requested for Student Health and Wellness as well as a small increase to the Student Activity Fee.

Student Health and Wellness: An increase of \$56 per year is proposed for the Student Health Services Fee for Storrs based students. In 2020, President Katsouleas established a Task Force on Mental Health and Wellness to review current efforts and practices; identify areas of diminished capacity; and identify priorities for best practices and expansion of care for our students. As a result of the task force and the identification of areas of need, the University seeks to add additional case workers and clinicians to strengthen its mental health practice, improve access to care, and develop expertise in diversity and inclusion best practices within a clinical setting. With these additional funds, Student Health and Wellness will add four Mental Health Clinicians with various roles and specialties and three Health educators focused on mental health education.

Student Activity Fee: The Student Activity Fee includes the Connecticut Daily Campus, Student Government, WHUS, UConn TV, and Student Union. A \$2 per year increase to the Student Activity Fee is proposed, resulting in an annual rate increase from \$190 to \$192. The primary purpose for the proposal is to cover the increasing costs of producing the Nutmeg Yearbook, which each student receives at no cost upon graduation. This fee only applies to Storrs undergraduate students.
