Call to order at **9:00 a.m.**

1. **Public Participation***
   
   *If members of the public wish to address the Board of Trustees during the Public Participation portion of the August 3 meeting, you must submit a request in writing **24 hours in advance of the start of the meeting (by Tuesday, August 2 @ 9:00 a.m.)** to the following email address: boardoftrustees@uconn.edu. Please indicate your name, affiliation, and topic to be discussed. Per the University By-Laws, the Board may limit the entirety of public comment to a maximum of 30 minutes. As an alternative, you may also submit your comments via email which will be shared with the Board.

2. **Chairman’s Report**
   
   (a) Matters outstanding
   
   (b) Minutes of the meeting of June 29, 2022
   
   (c) Consent Agenda:
   
   (1) Tenure at Hire
   
   (2) Promotion and Tenure
   
   (3) Appointment of Assistant Professor Karolina Heyduk to the Rosalind Chair in the Department of Ecology and Evolutionary Biology in the College of Liberal Arts and Sciences
   
   (4) Advanced Business Certificate in Financial Technology
(5) Naming of Nancy Stevens Field (Attachment 5)
(6) Naming of Diane Wright Way (Attachment 6)
(7) Student Life Committee Membership (Attachment 7)

3. President’s Report
4. Academic Affairs Committee Report
   (a) Report on Committee activities
5. Financial Affairs Committee Report
   (a) Report on Committee activities
   (b) Items requiring Board discussion and approval:
      (1) Biennium State Appropriation Request for Fiscal Years 2024 and 2025 for the University of Connecticut, Storrs and Regional Campuses (Attachment 8)
      (2) UConn Health’s State Appropriation Current Services Request (Attachment 9) for the Upcoming Biennium (Fiscal Years 2024 and 2025)
      (3) Project Budget (Final) for Residential Life Facilities: South Campus Residence Hall (Attachment 10)
      (4) Project Budget (Final) for Gilbert Road Site Preparation (Attachment 11)
6. Institutional Advancement Committee Report
   (a) Report on Committee Activities
7. Other business
8. Executive Session (as needed)
9. Adjournment

PLEASE NOTE: If you are an individual with a disability and require accommodations, please call or e-mail the Board of Trustees Office at (860) 486-2333 or boardoftrustees@uconn.edu prior to the meeting.

FROM: Anne D’Alleva, Ph.D.
Interim Provost and Executive Vice President for Academic Affairs

RE: Appointment of Assistant Professor Karolina Heyduk to the Rosalind Chair in the Department of Ecology and Evolutionary Biology in the College of Liberal Arts and Sciences

RECOMMENDATION:

That the Board of Trustees approve the appointment of Assistant Professor Karolina Heyduk to the Rosalind Chair in the Department of Ecology and Evolutionary Biology in the College of Liberal Arts and Sciences.

BACKGROUND:

The Rosalind Chair (originally and formerly the Titania Chair) was established in September 2019. The endowment name change from Titania to Rosalind was requested and approved under a separate action item for the Board of Trustees on the date of December 9, 2020.

The Chair will be a nationally or internationally recognized researcher, scholar and teacher who will have made significant contributions in the field of Ecology and Evolutionary Biology. Karolina Heyduk will be joining the Department on January 1, 2023 and is honored to serve as the inaugural Chair for a three-year term ending on December 31, 2025. As the Rosalind Chair, Professor Heyduk will continue to seek answers to fundamental and applied questions in biology. Her work integrating comparative physiology, anatomy, genomics, and ecophysiology will contribute to the vitality of academic life for her faculty colleagues and our undergraduate and graduate students. Her study of plant diversification and adaptation to our changing climate is timely and will inform the broader general population of our state and the nation.

Professor Heyduk will join the Department of Ecology and Evolutionary Biology at UConn in January 2023, as a tenure-track Assistant Professor, having been selected for this honor by a committee of five Ecology and Evolutionary faculty members as part of an international search. No additional funding, support or investment is necessary in order to fulfill the terms of this appointment.

RE: Advanced Business Certificate in Financial Technology

RECOMMENDATION:

That the Board of Trustees approve an Advanced Business Certificate in Financial Technology.

BACKGROUND:

Ongoing technology innovations are disrupting existing structures of the financial services industry. Technologies such as blockchain, cryptocurrency, peer to peer lending, mobile payment systems, robo-advising, and automated insurance underwriting are all redefining the way in which financial services are offered and consumed. As a result, many traditional financial firms are rethinking the way they need to do business. These new paradigms are also changing the skill set that companies are seeking. This certificate program is created based on alumni, industry, and business community feedback. It is designed to meet the unique needs of experienced professionals, managers, and executives who have significant work experience in their field and want to enhance their skills in Financial Technology.

This certificate program will be a 12-credit hour program with in-person course delivery. It will consist of a mix of analytics, technology, and finance courses. Students will be expected to demonstrate an advanced knowledge of key theoretical finance and economic concepts underpinning financial markets and identify the interaction between technological innovation and financial service disruptions and the technologies appropriate to solve financial problems. It’s expected the program will admit 5-10 students per year.
Request for New UConn Academic Degree Program

General Information
Name of degree program: Advanced Business Certificate in Financial Technology
Name of sponsoring college: School of Business
Campuses: Hartford, Stamford
Type of Program: Graduate Certificate
Program Payment Type: Fee-based
Proposed CIP Code(s): 52.1339

Justification
This certificate program is created based on alumni, industry, and business community feedback. It is designed to meet the unique needs of experienced professionals, managers, and executives who have significant work experience in their field and want to enhance their skills in Finance Technology (Fintech).

Are there similar programs in Connecticut or elsewhere?
Currently, there are a variety of institutions that offer either specific courses or certifications in Fintech. However, only a handful have developed full graduate programs. Outside of the United States, there are a variety of programs available in Hong Kong, the United Kingdom, and France. However, in the United States, only a few institutions offer full Graduate Programs focused specifically on Fintech. Brandeis University offers an MS – Digital Innovation for FinTech. It is a 30 credit fully online program. The curriculum is focused primarily on technology with little evident content focused on Finance. (https://www.brandeis.edu/gps/studentcourses/programs/listings/fintech-digitalinnovation.html). Duke University offers a Master of Engineering Degree in Financial Technology. The 30 credit program consists of 2 business courses and several technology courses. It is offered both online and in person. (https://fintech.meng.duke.edu). Santa Clara University offers a MS Finance and Analytics Program, both online and in person. The program is 36 credits and features a blend of courses in technology and finance. The program has a list of prereqs consisting of calculus, statistics, linear algebra, R and Python. The linear algebra, R and python courses are offered online. (https://www.scu.edu/business/graduatedegrees/admissions/ms-programs/ms-financeand-analytics/) There are no in-state programs offering exclusive graduate degree programs in Fintech.

What are the desired learning outcomes of the program?
Demonstrate an advanced knowledge of key theoretical finance and economic concepts underpinning financial markets. Identify the interaction between technological innovation and financial service disruptions and the technologies appropriate to solve financial problems. Identify new fintech business models in blockchain technologies, cryptocurrency, alternative lending, open banking, insurtech, robo-advising, and cybersecurity. Explain fintech trends such as cryptocurrency, blockchain, real-time settlements, peer-to-peer transactions, financial Inclusion, and mobile fintech applications. Explore contemporary issues in blockchain, crypto
assets, algorithmic fairness, ethics, financial inclusion, regulation, and compliance procedures within the FinTech industry.

**Program Description**
The program will be a 12-credit hour program with in person course delivery. It will consist of a mix of analytics, technology and finance courses and is designed to meet the unique needs of experienced professionals, managers, and executives who have significant work experience in their field and want to enhance their skills in Finance Technology (Fintech).

**Proposed Graduate Catalog copy**
Advanced Business Certificate in Financial Technology students must complete 12 graduate-level credits.

**Required Courses (9 Credits):**
- FNCE 5710 Introduction to Financial Models (3 cr.)
- FNCE 5711 Foundations of Fintech (3 cr.)
- OPIM 5513 Blockchain (1.5 cr.)
- FNCE 5720 Cryptocurrencies (1.5 cr.)

Select one 3-credit course from the list:
- FNCE 5712 Fintech Economics & Business Models (3 cr.)
- FNCE 5721 Blockchain Applications (3 cr.)
- FNCE 5353 Financial Risk Modeling (3 cr.)
- OPIM 5603 Statistics in Business Analytics (R ) (3 cr.)
- OPIM 5604 Predictive Modeling (3 cr.)
- OPIM 5514 Mobile Application Development (3 cr.)

**Faculty involvement**
Faculty from the Finance and Operations in Information Management Departments. [https://opim.business.uconn.edu/](https://opim.business.uconn.edu/) [https://finance.business.uconn.edu/](https://finance.business.uconn.edu/)

**Enrollment and graduation projections**
We expect to admit 5-10 students per year.

**Program Evaluation**
The program will be evaluated routinely and at regular intervals under the AACSB accrediting process. Internally, the program will be evaluated in each of the following ways: i) course content, classroom instruction, administration and grading will be evaluated each semester by registered students using the standard process and questionnaire currently in place for School of Business courses, ii) course content, rigor, and overall implementation will be evaluated for each course by the department head and academic director, both working in close conjunction with the instructor(s), and iii) alums and managers at hiring companies will be surveyed to monitor program quality and content.
**Program Administration**
Administrative duties will be handled by existing resources in the School of Business.

**Funding and Financial Resources Needed**
Funding and financial resources will align and be supported by the current MS in FinTech program. Future resources and additional funding will be evaluated annually.

**Consultations with other potentially affected units**
We have consulted with the MS in FinTech program where some of the resources will be shared with the understanding that these students may share classes. We envision program enrollments might be affected positively by this new program.

**Who can apply to this program?**
Internal applicants (current UConn students enrolled in another UConn degree or certificate program), External applicants (individuals who are not currently UConn students).

**Admissions requirements**
Follows The Graduate Schools requirements for admission. Admission to the program is expected to be competitive. Minimum requirements will include:

- Completed application for admission.
- Official transcripts from all colleges and universities at which the applicant has completed course or degree work.
- Completion of a one-semester college-level calculus or statistics course with a grade of “C” or better.
- An undergraduate degree (B.S. or B.A.) from a 4-year program at an accredited university or college.
- A minimum undergraduate grade-point averages (GPA) of 3.0 for either all 4 years or for the last 2 years.

**Term(s) to which students will be admitted**
Fall, Spring, Summer

**Anticipated application deadline**
Rolling

**Program Director Name:** John Wilson

Interim President

RE: Naming of Nancy Stevens Field

RECOMMENDATION:

That the Board of Trustees approve the naming of the Nancy Stevens Field as a companion naming to the George J. Sherman Family Sports Complex.

BACKGROUND:

From 1989 to 2020, Nancy Stevens served with distinction as head coach of the Women’s Field Hockey Program compiling three national championships (2013, 2014, 2017), 23 NCAA Tournament wins, three National Coach of the Year awards, and many more accomplishments during her 30 seasons in Storrs.

Coach Stevens mentored and led multitudes of talented student-athletes, many of whom competed for National Teams in the World Cup and Olympics. Coach Stevens was the first field hockey coach to reach 700 wins in a career. Upon retirement in 2020, she was deemed the all-time winningest coach in NCAA field hockey. In addition to her NCAA awards, she dominated the BIG EAST with 19 regular and 19 tournament titles. In 2006, she was inducted into the Connecticut Field Hockey Hall of Fame.

To honor Coach Stevens’ contributions to the University, the Division of Athletics recommended adding the “Nancy Stevens Field” to the “George J. Sherman Family Sports Complex,” creating a combined naming: “Nancy Stevens Field and George J. Sherman Family Sports Complex.”

The Facilities Naming Committee approved the recommendation on July 27, 2022, which I endorsed and referred to the Institutional Advancement Committee, which approved the recommendation on August 1, 2022.

TO: Members of the Board of Trustees
FROM: Dr. Radenka Maric  
Interim President

RE: Naming of Diane Wright Way

RECOMMENDATION:

That the Board of Trustees approve the naming of the Gampel Service Drive Extension to Diane Wright Way.

BACKGROUND:

From 1975 to 1989, Diane Wright served as head coach of the Women’s Field Hockey Program, leading the Huskies to its first two national championships in 1983 and 1985, along with five national semifinal appearances.

In 1983, Coach Wright was awarded the title of National Coach of the Year for her success and excellence at UConn. During her tenure, 27 student-athletes were recognized as All-Americans for their performance and commitment to the sport and three of her players earned National Player of the Year honors.

To honor Coach Wright’s contributions to the University, the Division of Athletics recommended naming Gampel Service Drive Extension to “Diane Wright Way.”

The Facilities Naming Committee approved the recommendation on July 27, 2022, which I endorsed and referred to the Institutional Advancement Committee, which approved the recommendation on August 1, 2022.
August 3, 2022

TO: Members of the Board of Trustees

FROM: Michael Gilbert, Ph.D.  
Vice President for Student Affairs

RE: Student Life Committee Membership

RECOMMENDATION:

That the Board of Trustees appoint undergraduate students Christopher Bergen and Sydney Collins from August 3, 2022, to June 30, 2023, to the Student Life Committee of the Board of Trustees.

BACKGROUND:

In accordance with Article V.F.3. of the By-Laws, upon the recommendation of the Undergraduate Student Government, the board shall appoint two undergraduate students as voting members to the standing committee having cognizance over student life matters.

The Undergraduate Student Government has recommended undergraduate students Christopher Bergen and Sydney Collins for appointment to the Student Life Committee.

Christopher Bergen is a rising senior pursuing a degree in Mechanical Engineering. Residing from Bethel, Connecticut, Christopher is the former Comptroller of the Undergraduate Student Government (2021-2022), where he oversaw the allocation of millions of dollars to campus activities and student organizations and led an effort to decrease funding policies for clubs by 75%.

Sydney Collins is a rising senior pursuing a degree in Environmental Science. Residing from Coventry, Connecticut, Sydney is the Student Services Director with the Undergraduate Student Government where she addresses quality of life concerns for Storrs students. Sydney was previously the Sustainability Advocacy Coordinator where she supported campus programming related to clean energy and transportation, environmental justice, and climate advocacy with a team of volunteers.

These appointments shall be from August 3, 2022, through June 30, 2023.

RE: Biennium State Appropriation Request for Fiscal Years 2024 and 2025 for the University of Connecticut, Storrs and Regional Campuses

RECOMMENDATION:

That the University Board of Trustees approve the Biennium State Appropriation Request for the University of Connecticut, Storrs and Regional Campuses for Fiscal Years 2024 and 2025 as follows: $338.0 million for Fiscal Year 2024 and $340.3 million for Fiscal Year 2025.

RESOLUTION:

“Be it resolved that the Board of Trustees approve the State Appropriation Request for the University of Connecticut, Storrs and Regional Campuses for Fiscal Year 2024 of $338.0 million and for Fiscal Year 2025 of $340.3 million.”

BACKGROUND:

Every two years, the Governor submits a biennial budget request to the Legislature. The process of preparing the Governor’s budget submission begins with state agencies submitting their biennial budget requests to the Office of Policy and Management (“OPM”). The biennial budget request for fiscal years 2024 and 2025 is due in the fall of 2022.

UConn’s FY 2024 State Appropriation request is $338.0 million. This represents a net increase of approximately $44.2 million over the total FY 2023 state support. The FY 2024 request includes an additional $10.6 million to cover the collective bargaining increases for employees whose salaries are covered by the state block grant, $17.4 million to cover the collective bargaining increases (salary and fringe) for non-block grant employees, and legacy cost support of $40.0 million. The FY 2024 request also includes a decrease/elimination of the one-time funds provided to UConn in FY 2023 amounting to $2.3 million for one-time salary payments, $15.5 million related to the 27th payroll, and $6.0 million related to COVID funds.
The FY 2025 State Appropriation request is $340.3 million. As there are no approved collective bargaining increases for FY 2025, UConn is not requesting increased funds for collective bargaining increases at this time. UConn will request the associated increase after bargaining increases are approved. A request for increased legacy cost support of $2.3 million is included for FY 2025.

RE: UConn Health’s State Appropriation Current Services Request for the Upcoming Biennium (Fiscal Years 2024 and 2025)

RECOMMENDATION:

That the UConn Health Board of Trustees approve the Biennium State Appropriation Request for UConn Health for Fiscal Years 2024 and 2025 as follows: $277.5 million for Fiscal Year 2024 and $279.7 million for Fiscal Year 2025.

RESOLUTION:

“Be it resolved that the Board of Trustees approve the State Appropriation Request for UConn Health for Fiscal Year 2024 of $277.5 million and for Fiscal Year 2025 of $279.7 million.”

BACKGROUND:

UConn Health’s FY 2024 Biennium State Appropriation request is $277.5 million. This represents a net increase of approximately $15.7 million over UConn Health’s total FY 2023 state appropriations. The FY 2024 request includes an additional $5.9 million to cover the collective bargaining increases for employees whose salaries are covered by the state block grant, $14.3 million to cover the collective bargaining increases for non-block grant employees, and increased legacy cost support of $1.9 million. The FY 2024 request also includes a decrease/elimination of the one-time funds provided to UConn Health in FY 2023 amounting in $1.2 million for salary payments and $5.1 million related to the 27th payroll in FY 2023.

The FY 2025 Biennium State Appropriation request is $279.2 million. As there are no
approved collective bargaining increases for FY 2025, UConn Health is not requesting increased funds for collective bargaining increases at this time. UConn Health will request the associated increase after bargaining increases are approved. A request for increased legacy cost support of $1.9 million is included for FY 2025.

Laura Cruickshank
Associate Vice President, Master Planner and Chief Architect

RE: Project Budget for Residential Life Facilities: South Campus Residence Hall (Final: $215,000,000)

RECOMMENDATION:

That the Board of Trustees approve the Final Budget of $215,000,000, as detailed in the attached project budget, for the Residential Life Facilities: South Campus Residence Hall project, for Construction. A new South Campus Residence Hall has been identified as a critical building to support life transformative education and to prepare students to become valuable residents of the State of Connecticut and members of its workforce. The Administration recommends that the Board of Trustees adopt the Resolution below.

RESOLUTION:

“Be it resolved that the Board of Trustees approve the use of $76,000,000 in UCONN 2000 bond funds, $124,000,000 in Revenue Bond Funds, and $15,000,000 in University Funds for the Residential Life Facilities: South Campus Residence Hall project.”

BACKGROUND:

In light of the forthcoming University Strategic Plan, student housing recommendations, and University-wide sustainability initiatives, the University intends to engage the services of a Design-Build team to finalize construction documents and commence construction of a new South Campus Residence Hall. The new facility will create much-needed swing space for the housing rehabilitation and replacement program and address a shortage in suite-style housing on the campus. This construction budget includes a Guaranteed Maximum Price (GMP) contract based upon received bids. The building will conform to Connecticut High Performance Building regulations and will be registered as a LEED project, with a target goal of LEED Gold.

The Final Budget is attached for your information.

TO: Members of the Board of Trustees

FROM: Lloyd A. Blanchard
Interim Vice President for Finance and Chief Financial Officer

Laura Cruickshank
Associate Vice President, Master Planner and Chief Architect

RE: Project Budget for Gilbert Road Site Preparation (Final: $6,600,000)

RECOMMENDATION:

That the Board of Trustees approve the Final Budget of $6,600,000, as detailed in the attached project budget, for the Gilbert Road Site Preparation project, for Construction. The Administration recommends that the Board of Trustees adopt the Resolution below.

RESOLUTION:

“Be it resolved that the Board of Trustees approve the use of $6,600,000 in UCONN 2000 Bond funds for the Gilbert Road Site Preparation project.”

BACKGROUND:

This project prepares the area along Gilbert Road for the construction of the South Campus Residence Hall. In addition to trees, sidewalks and other site features, the footprint of the new building is in conflict with an existing house at 4 Gilbert Road. The house was constructed circa 1917 as faculty housing and is a remnant of the University's row housing that was on the perimeter of the original campus. However, due to overall campus growth, the house is now in a more densely populated area, surrounded by larger collegiate structures. Because of its small size, it is not suitable for the majority of academic uses. Seven of nine remaining faculty houses were demolished in 2016 to facilitate campus development of the Student Recreation Center and the South Campus Commons.

The Final Phase of this project will consist of the relocation, renovation and site restoration for this house.
The estimated total project cost is based on a third-party estimate depicting the final location option and assumed restoration scope along Gilbert Road. Given the hyper-inflationary market conditions, the final cost may vary depending on the bid coverage and values.

The Final Budget is attached for your information.

COMMITTEE AGENDAS
AGENDA

Board of Trustees

ACADEMIC AFFAIRS COMMITTEE

University of Connecticut

Tuesday, August 2, 2022

1:00 p.m.

Meeting held by Telephone
Public Call-In Number:
(415) 655-0002 US Toll
Access Code: 2621 681 1147

Public Access Link:
http://ait.uconn.edu/bot

(A recording of the meeting will be posted on the Board website
https://boardoftrustees.uconn.edu/ within seven days of the meeting.)

Call to order at 1:00 p.m.

1. Public Participation*
   * If members of the public wish to address the Committee during the Public Participation portion
     of the meeting, you must submit a request in writing 30 minutes prior to the start of the meeting
     (by 12:30 p.m.) to the following email address: BoardCommittees@uconn.edu. Please indicate
     your name, telephone number, and topic to be discussed. Per the University By-Laws, the Board
     may limit public comment. As an alternative, you may also submit your comments via email
     which will be shared with the Board.

ACTION ITEMS:

2. Minutes of the Academic Affairs Committee Meeting of June 28, 2022

3. Tenure at Hire

4. Promotion and Tenure

5. Appointment of Assistant Professor Karolina Heyduk to the Rosalind Chair in
   the Department of Ecology and Evolutionary Biology in the College of Liberal
   Arts and Sciences

6. Advanced Business Certificate in Financial Technology

7. Other Business

8. Executive Session (as needed)

9. Adjournment
