RE: Project Budget for the UConn Health Central Sterile Washer & Sterilizer
Replacement (Design: \$3,985,000)

RECOMMENDATION:

That the Board of Trustees approve the Design Budget in the amount of \$3,985,000, as detailed in the attached project budget for the UConn Health Central Sterile Washer & Sterilizer Replacement Project.

RESOLUTION:

“Be it resolved that the Board of Trustees approve of the use of \$3,985,000 from UConn Health Capital and UCONN 2000 Bond funds for the UConn Health Central Sterile Washer & Sterilizer Replacement Project.”

BACKGROUND:

Central Sterile Services located in the basement level of the Connecticut Tower provides instrument sterilization services for the medical and dental clinics and outpatient surgical services. The main washer and sterilizer equipment is outdated and prone to downtime which significantly impacts clinical operations. This project will replace outdated equipment and supporting infrastructure.

The Design Budget is attached for your consideration. The Design budget reflects current design estimates and may change based on bids received. This Design Budget was approved by the UConn Health Board of Directors at their meeting on June 12, 2023.
