RE: Project Budget for the UConn Health New England Sickle Cell Institute
Renovation (Final: \$4,865,000)

RECOMMENDATION:

That the Board of Trustees approve the Final Budget in the amount of \$4,865,000, as detailed in the attached project budget for the UConn Health New England Sickle Cell Institute Renovation Project.

RESOLUTION:

“Be it resolved that the Board of Trustees approve of the use of \$4,865,000 from UConn Health Capital and UCONN 2000 phase III DM funds for the UConn Health New England Sickle Cell Institute Renovation Project.”

BACKGROUND:

The New England Sickle Cell Institute (NESCI) and Connecticut Blood Disorders (CBD) clinics were located on an under-utilized inpatient floor within the recently constructed University Tower. In response to the COVID pandemic, these clinics were downsized and relocated to allow for the expansion of inpatient services. This project will renovate the 4th floor of the Connecticut Tower to accommodate the relocation of the New England Sickle Cell Institute and Connecticut Blood Disorders clinics.

The Final Budget is attached for your consideration. The Final budget reflects current design estimates and may change based on bids received. This Final Budget is anticipated to be approved by the UConn Health Board of Directors at their meeting on September 11, 2023.
